

100TH ANNIVERSARY CELEBRATION A BIG SUCCESS

Troop 1 was a co-sponsor of this weekend's 100th anniversary of Boy Scouting in southern Indiana. It was held at the old Carnegie Library located in downtown Jeffersonville's Warder Park. This event featured historic displays of our Scouting heritage including many unique items. There was also a pinewood derby track and scouting films.

Our Scouts did an outstanding job serving as guides and assisting during the event. The troop received many compliments for their great work.

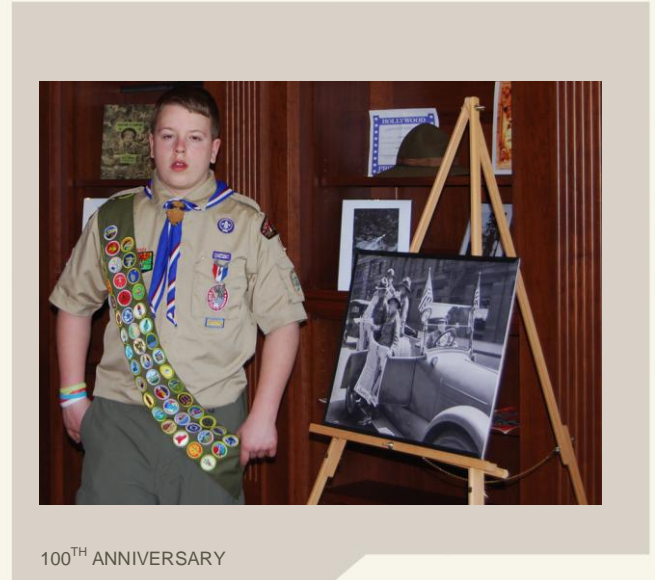

The troop also received excellent coverage with articles in both the Courier-Journal and the Evening News and New Albany Tribune.

Our troop has the unique heritage of being the first troop formed in the region and the oldest continuously operating troop in the area. Photographs of the event have been posted on the troop website.

THUNDER OVER LOUISVILLE PARKING EVENT THIS SATURDAY

The troop's major fund-raiser of the year will be held this Saturday as we park vehicles for Thunder Over Louisville. Each Scout has had the opportunity to sign up for a two hour shift. Those Scouts who work during the event will receive a share of the proceeds earned during the day. This is a great and an easy way to earn money for Scouting events.

Please dress in a Scout related T-shirt or your uniform while working at the event. We can also use parent help during the day. The cost of parking is \$20 for the day.

UPCOMING ACTIVITIES

The troop has many more activities planned for the upcoming weeks.

On April 24TH we plan on attending the national travelling 100th anniversary Scouting display. This display will be housed on the waterfront lawn. It features a theater, exhibits, a ropes course, entertainment and other exciting features.

Adult volunteers and youth performers are still needed for this program.

On May 15, we are tentatively planning on travelling to Dayton, Ohio to view the National Air Force Museum. It has an outstanding collection of aircraft. If our request is approved, we will actually camp at the Wright Patterson Air Force Base. The troop would have access to an impressive array of resources including the pool, bowling alley, theater and dining hall.

We also have a canoe trip in the works for early June.
