

100TH ANNIVERSARY CELEBRATION SATURDAY, APRIL 10

Troop 1 is a co-sponsor of this weekend's 100th anniversary of Boy Scouting in southern Indiana. It will be held at the old Carnegie Library located in downtown Jeffersonville's Warder Park. This event will feature historic displays of our Scouting heritage including many unique items.

There will also be an outdoor camping display, a pinewood derby track (bring your own racecar) and scouting films and presentations throughout the day.

The event will run from 10:00am to 4:40 pm for the public on Saturday. Scouts are needed to help set up the display on Friday evening and to help man the exhibits and serve as guides on Saturday.

Participation will count toward the new Scouting Heritage Merit Badge will be formally introduced later this year.

UPCOMING ACTIVITIES

The troop has many activities planned for the upcoming weeks.

On April 24TH we plan on attending the national travelling 100th anniversary Scouting display. This display will be housed on the waterfront lawn. It features a theater, exhibits, a ropes course, entertainment and other exciting features.

Adult volunteers and youth performers are still needed for this program.

On May 15, we are tentatively planning on travelling to Dayton, Ohio to view the National Air Force Museum. It has an outstanding collection of aircraft. If our request is approved, we will actually camp at the Wright Patterson Air Force Base. The troop would have access to an impressive array of resources including the pool, bowling alley, theater and dining hall.

We also have a canoe trip in the works for early June.
