

HEADING FOR CAMP SPECIAL EDITION

Troop 1 is heading for summer camp at Camp Crooked Creek next week. The week-long camp is often a highlight of a Scout's career. We have ten boys currently set up to attend along with a rotation of five adult leaders.

By this time every Scout should have received the summer camp packet with items to bring. It is essential that you have a current completed health form signed by a medical professional in order to attend camp.

It will be very hot and humid by all indications. Drinking lots of water is essential. Cell phone coverage is very limited at camp. We will be posting information from camp on our troop blog at www.bsatroop1.us/wordpress. In addition, we will be posting photographs from the camp on a regular basis.

Scouts should be packed and meet at the Wall Street UM Church at 1:00 pm on Sunday. We will need help with transportation.

We are scheduling swim checks before camp. This will save over an hour of waiting in line. The swim checks will be held on Saturday at the Purlee's home. If you hope to qualify as either a beginner or swimmer, you should make every effort to take this test before camp. For more information, call 288-9719 on the swim checks.

By all indications, this should be a great camp.

THIS WEEK'S PROGRAM focuses on preparations for our summer camp at Camp Crooked Creek. The adult leaders and senior Scouts will share lots of information and tips from their years of experience at the camp. We will also be discussing upcoming programs.
