

GREAT TRIP TO WRIGHT-PATTERSON AND THE AIR FORCE MUSEUM

Last weekend's trip to Dayton, Ohio to visit the Wright Patterson Air Force Base and the National Air Force Museum was one of the best outings in memory. A group of 14 scouts and leaders had a great time.

The troop enjoyed an excellent program put on by the 455th AirLift wing. We toured the inside of a Galaxy C5, the nation's largest military transport aircraft. The troop visited the flight deck, passenger areas and cargo holds. We also saw the MedEvac procedures. In addition, the military police had the scouts go through hands on exercises.

We visited the enormous Air Force Museum where we saw a fantastic display of aircraft of all ages and types including a collection of Air Force One aircraft used by the presidents. This truly is a world class exhibit.

The troop camped on base and enjoyed several evening activities.

SUMMER PLANS

We are finalizing summer camp plans at Camp Crooked Creek for June 20 to 26. This is a great opportunity for advancement. A variety of activities are available for both new Scouts as well as older Scouts. We anticipate that the cost will be around \$200 per participant.

THIS WEEK'S PROGRAM is on the oral histories as part of Jonathan's Eagle project.

Our speaker is Eagle Scout Dr, Carl Kramer, director of the IUS oral history center.
