

## TROOP ONE ENJOYS LAW NIGHT

Last week the troop witnessed a drug deal gone bad. Luckily the police were nearby and apprehended several suspects. Then it really got interesting as we headed into court.

The troop participated in Law Night sponsored by Clark County Circuit Court and Judge Dan Moore. It was a fascinating look into the workings of the legal system and many of our Scouts got an up close experience before the night was over.

Scouts served as members of the jury (perhaps somewhat tainted since they witnessed the crime) and shadowed the critical roles within the courtroom including judge, defense, prosecution and the bailiff. It was a well orchestrated event by a group of law professionals who obviously were enjoying themselves and the opportunity to work with the young people.

Jonathan had the opportunity to serve as judge and Zack and Shawn were part of the defense team. The Evening News did a nice story on the event.

## SUMMER PLANS

The troop has many more activities planned for the upcoming weeks.

The troop is planning on a canoe and kayak trip the first weekend of June. It will probably be on either the Blue River near Fredericksburg or the Green River near Mammoth Cave National Park in Kentucky.

**THIS WEEK'S PROGRAM is on the 1937 flood as part of Jonathan's Eagle project.**

LAW NIGHT 2010

## TROOP PREPARES TO VISIT WRIGHT PATTERSON AIR FORCE BASE

The troop will visit Wright Patterson Air Force Base as part of its May 15 & 16 trip to Dayton, Ohio. This is shaping up to be an outstanding trip. We will be guests of the 455<sup>th</sup> airlift group where the troop will get to tour a working Galaxy C-5, the largest military aircraft in the world.

We will also be visiting the National Air Force Museum that features one of the truly outstanding aviation exhibits in the world. We hope to tour the special annex which includes the presidential aircraft.

The troop will be camping on the base itself that weekend. We will have access to the bowling alley, swimming pool, gym and other base recreational facilities.

Permission slips were passed out this week.
